

B-Skill Health & Safety Courses

confident people, better lives, good business..

IOSH Working Safely

Designed for

Working Safely is a one-day course for staff from any sector with no supervisory or managerial responsibility.

Benefits

The programme provides a grounding in the essentials of health and safety. Everyone at work should have an understanding of why they must “work safely” and this course offers exactly that. Working Safely introduces a completely new approach to health and safety training and offers all the basics in a high impact interactive package. For delegates who attend the course and successfully complete the written and practical assessments, there is a choice of accreditation, either an IOSH Working Safely certificate or an IOSH passport card.

Course Content

- Module 1 - Introducing working safely
- Module 2 - Defining hazard and risk
- Module 3 - Identifying common hazards
- Module 4 - Improving safety performance
- Module 5 - Protecting our environment
