How to:

Improve Cleaning standards

Benefit from cost effective training and assessment

Motivate and give recognition to those directly engaged on cleaning tasks.

The scheme provides for the qualification of Cleaning Operatives and highlights the professional approach of the employing organisation. It does so by setting the standard for the levels of skills achievement that cleaning staff should have.

How does it work?

The training course consists of ten tasks that are chosen from the most commonly used tasks shown below. In order to achieve a pass the competencies and resources needed are to be proven in each of the chosen ten tasks.

The tasks covered:
