Car Valeting Certificate Scheme (CVC)

Price: £395.00 plus VAT

How to:

Improve the quality of Valeting

Benefit from cost effective training

Motivate and give recognition to those directly engaged on Valeting cars

The scheme provides for the qualification of Car Valeting and highlights the professional approach of the employing organisation. It does so by setting the standard for the training and the level of achievement of basic grade personnel in the skills that they should have.

How does it work?

The most commonly used tasks are available to choose from and the training course consists of a total of five mandatory units (those marked with ^{*}) plus one unit of choice (six tasks in total) In order to achieve a pass the competencies and resources needed are to be proven in each of the chosen tasks.

The tasks covered:

*	Stain removal
*	Pressure washing
*	Exterior cleaning
*	Exterior polishing & waxing
*	Interior cleaning
	Upholstery cleaning
	Hot water extraction
	Paint renovation
	Engine cleaning
